CONDITIONS OF TENDER FOR THE CONVEYANCE OF MAILS BETWEEN BANGALORE CITY R.M.S-MAGADI.

All tenders must be sealed and addressed to the undersigned by name and clearly marked "Tender for Bangalore City R.M.S-Magadi Mail Motor Contract" on the outside of the cover and must reach him on or before the 4th March 1940 by 5 P.M.

2. The approximate daily mileage at present involved is 68½ miles. A copy of the schedule showing the number, timings and other details of the service required and copies of the form of tender (on which tenders must be made) and of agreement and bond which will have to be executed by the successful tenderer are given herewith. The successful tenderer will be required to get the contract deed registered at his own cost.

3. Tenders will be opened in the office of the undersigned at 12 NOON on the 6th March 1940 in the presence of such tenderers as may wish to be present there.

4. No tenders quoting "Any remuneration deemed suitable" or words to that effect will be accepted. Should a tenderer so desire he may however offer to carry the mail free or mention the amount which he is prepared to pay the Department per month for the privileges of carrying of the mail. If a subsidy is quoted it should be for a complete rupee or rupees and should not contain any fraction of a rupee.

5. Each tender must be accompanied by Rs. 25 in cash as deposit money which will be refunded if the tender is not accepted. Tenders without earnest money are liable to be summarily rejected. Should the selected contractor fail to take up the work by the specified date, his tender will automatically lapse and deposit money pledged by him forfeited.

6. The minimum number of motor vehicles required to be maintained by the contractor wil be three. Tenderers must clearly state whether they have this number of vehicles as otherwise their tenders will not be considered.

7. Tenderers should fordward with their tenders letters of evidence from the District Superintendent of Police or other concerned District Authorities to the effect that the vehicles mentioned in their tender have been or will be licensed and permitted to run on the particular road or roads mentioned in the tender.

8. The undersigned does not bind himself to accept the lowest or any tender or to assign any reason for the rejection of any tender.

RAM PRASAD,
Superintendent.

OFFICE OF THE SUPERINTENDENT, POWER & LIGHTING, MYSORE.

Notification dated 3rd February 1940.

1. Sealed tenders in triplicate will be received at the Office of the Superintendent, Power and Lighting, Mysore, superscribed with the name of the work noted below.

2. A sum of Rs. 55 (Rupees Fifty-five) only is required to be sent along with the tender in cash or currency or cheque drawn in favour of the Superintendent, Power and Lighting, Mysore, or order, being the earnest deposit. Tenders not accompanied with the said deposit will not be accepted.

3. The plans connected with the work may be seen at the Office of the undersigned at all working hours. The same will be made available on payment of Rs. 3 per set, if required.

4. The tenders should be drawn up strictly in conformity to the specification furnished, writing out the rate at which, each item of work will be executed in figures as well as in words failing which no cognizance will be taken of the tender. No items other than those noted in the statement should be included, as the items cover provision for all sundries that are necessary for the execution of the work to meet with the requirements of the Department, including painting and colour-washing to suit the finish of the walls, etc.

5. Materials to be used on the work should be of best quality conforming to the specifications of this Department and B.S. or A.I.E.E. specifications. Mention should also be made of the manufacture and the catalogue numbers of the materials offered. Teakwood planks to be used on the work should be free from knots, cracks and should be well seasoned. No planks less than 12″ in width will be permitted to be used unless it is to make up the difference in size of the board required. Only lap joints should be adopted in all cases.

6. The undersigned reserves the right to reject the tenders without assigning any reason therefor.

7. The successful tenderer will be required to execute an agreement within two days from the date of communication of acceptance of the tender. He should send samples of all the materials required for the work mounted on a board and start the work after obtaining the approval of the undersigned with regard to the same within a week from the date of communication of acceptance. Failure to adhere to the conditions above will entail forfeiture of the earnest deposit and adoption of such measures as are necessary for expediting the work otherwise entirely at his risk. He should also bind himself to execute the work strictly adhering to the wiring rules of this Department as well as those of I.E.E. He should also be prepared to adopt changes in the location of heating outlets, control points, etc., that might be desired by the undersigned during the progress of the work without any obligation if the tender is not materially affected thereby. The wiring adopted being in lead covered cable sharp corners should invariably be avoided.

8. The undersigned reserves the right to reject the work either in full or in part if the same is not executed according to the above specification or is not satisfactory as regards workmanship.

9. Special care should be taken to afford metallic continuity and to provide efficient earthing to the installation as the system of wiring adopted is in lead covered cables.
